Dave, I'm not sure what happened but I never got your voicemail. We would be happy to talk to you before Sept 16 though a face to face meeting may be difficult. We can decide about attending the actual Sept 16 meeting later. I'm in Mexico so I'll ask Dusty Minor to give you a call. Perhaps you could give Dusty a brief update and then arrange the meeting/conf call with him? Thanks!

Subject: Roosevelt Irrigation District Remediation Project

Keith.

I left you a voicemail a week or two ago offering to meet with you and other EPA Region 9 Superfund personnel to provide an update on the Roosevelt Irrigation District's (RID's) concepts for an Early Response Action and FS for the Arizona West Van Buren Area WQARF Site. I also mentioned that RID has sent out what we refer to as "general notice letters" to PRPs (based on ADEQ and EPA soil and groundwater sampling data) inviting them to a meeting on September 16 to hear about the RID Remediation Project. EPA, of course, is invited to the September 16 meeting. However, we would like to discuss the RID Remediation Project with EPA before the September 16 meeting. Please advise if EPA would like to meet with RID.

Thank you.
